**Re: March 26, 2014 Clean Water Act Inspection**

Dear Mr. Armstrong:

Please find enclosed the inspection report for the U.S. Environmental Protection Agency's March 26, 2014 inspection of the Armstrong Egg Farms facility located at 27023 N. Lake Wohlford Rd in Valley Center, CA.

Please review the areas of concern in the attached report. You are advised to follow up on these findings with the San Diego Regional Water Quality Control Board as soon as possible. In addition, last month I had requested a copy of the Armstrong Egg Ranch Waste Storage Facility Drawings and Specifications, dated May 2011. I have not yet received a copy of the document. Please submit it, along with any updates regarding your plans to construct a retention basin for the subject facility.

Please feel free to contact me with any questions at [Karlson.Kristine@epa.gov](mailto:Karlson.Kristine@epa.gov) or (415) 947-4297.

Sincerely,

Kristine Karlson
